

Note:  
Revised June 4, 2021

Almost all of our meetings are on-line with Zoom. We are in the process of attempting to transition some of our meetings back into the Meeting Room. Because of Covid, many of our members may not feel comfortable yet being in the room. It was a group decision to set up a computer conferencing system that would allow us to have the room on-line, a so-called hybrid meeting. This could only be until we have decided to do in-person meetings again. The schedule on the next page is only temporary, will change, and shows which meetings you would find in the room.

If you have any questions, bring them up at a meeting or email us at

Thank you for your patience in these changing times!
