July 1st, 2021

Thursday 8:00pm business meeting.

Brianna opened the meeting with the Serenity prayer and then the minutes were approved.

The following reports were made:

Treasurer: Bob The meetings broke even this month. About 2/3rds of the income came from the in person meetings. Starting next month there will be reports on the income from each meeting.

H & I: Forrest Liz gave us an update that nothing has changed.

Literature: Julie Cai gave us a report that there are some new books in the room. Books will be ordered a few at a time so that a library can be built up so that the new books won't be used in the meetings. Bob will talk to Julie about ordering more books.

Supplies: Jordan There have been no supplies needed yet

Phone List: Liz the lists are up to date. They are available both in the room and on line. Liz will monitor the room to make sure they are available for use.

Website: Sam The site is up to date with current phone lists and the recent meeting updates. There were no requests for anything to be added or changed.

Building manager: Kirk No Report

GSR Report: Jacob Jacob had a work issue that kept him from being able to give us a report.

Chips: Brianna We are good, nothing is needed

CPC/PI: Phil The Grapevines have been provided to the hospital. Mono County Health Dept has contacted Phil to see if AA could support their upcoming campaign to bring awareness to the public about opiate use/addiction. He is educating them about what AA can and cannot do according to our Traditions.

Speaker Meetings: Cai The July speaker was confirmed. Starting in August Deborah will be taking this meeting over. She asked about a possible \$200-\$300 allowance to help cover the costs that the speaker will have for travel, lodging and meals. This was discussed and will be reconsidered next month in the business meeting.

Secretary: Robin No reports, meeting notes are being taken and sent to Brianna when complete.

Hot Line: Kimmy No report

Chair: Brianna There was some discussion about having the next business in the room and on Zoom. This was approved by the group

Jail: Liz and Steve They will be giving up this commitment after several years. Phil and Liz will take this commitment until the elections in Dec.

Old business: The Hybrid/Zoom/ Room only meeting issue was discussed. We still need people who will show up at the room in the mornings for the 8:00am meeting to get the room open and run the meeting and computer. I think Bob will be happy to train. The available mornings are: Monday-Tuesday-Thursday-Friday.

New business: Cai needs to turn her Friday 8:00am meeting over so Dan will be taking it on. There are several other meetings looking for new secretaries. They are Monday 5:30pm woman's meeting. The Friday 7:00pm speaker meeting. Plus all of the in room secretaries for the 8:00am meetings.

The meeting ended with Phil praying us out with the responsibility prayer
