## Mammoth Lakes Business Meeting

Meeting was opened with the Serenity prayer

The last month's minutes were approved

Treasurer report: Bob: Our income is even with our spending but with winter coming we are anticipating increased expenses for heat. We need to keep the door that leads into the meeting room kept shut as much as possible.

Quite a big percentage of the 7<sup>th</sup> is coming from the Zoom participation. Bob suggests that we remind everyone about participating thru Venmo

A motion was made and seconded to send \$100 to GSO

The treasures report was approved

H & I Forrest: No one had any info.

Literature: Julie: more Big Books have been ordered.

Supplies: Jordan: Steve proxied. All supplies are in stock if anything is needed just let him know

Phone list: Liz: The list is up to date and she is printing some copies and will bring them to the room.

Website: Sam: She will update the phone list link on the website

Building Mgr. Kirk. Teddy has got the morning heat programed to start 15 min before and stop 15 min after. The room seems to be staying warm enough for the noon meetings.

Housekeeping: Jules is planning to steam clean the carpet.

GSR: Jacob: Nothing new to report.

Chips: Brianna: Chips are ok, maybe a bit low for the bigger birthday numbers but ok for the lower ones.

CPC/PI Phil: The grapevines have been sent to the hospital

Hot line : Kimmy: No info.

Jail: Phil and Liz: Liz is out of the jail business for a while and Phil did not send any messages

## OLD BUSINESS

Hybrid and Zoom meetings. Jessie said that there is some confusion about use of the main room for the woman on Thursday night. Liz said she will be handling the women's meeting from now on..

## NEW BUSINESS

The stairs need some repairs. A few of the guys are going to be repairing the wooden steps. Chris is going to organize the repair party.

Devorah is concerned that the participation from the Mammoth Lakes locals has been disappointing when it comes to the Saturday night speaker meeting. She is looking for ideas as to how to promote attendance. Cai said she always just announced it at every meeting she went to.

The meeting was closed by Liz who recited the Responsibility prayer
